Covid-19 MLIA  Eval

Rough Schedule

- **Mid January 2021 - late February/ early March 2021:** consolidation of the reports for round 1; crawling of new data; preparation of the collections to be shared;
- **Early March 2021 - end of April 2021:** run submission
- **May 2021:** ground truth creation, scoring, reports
- **Late May 2021/early June 2021:** virtual meeting

What's Next?

- Enlarge existing corpora
 - New topics
- New corpora?
- New languages?
- Analysis of current results by the tasks' organizers in liaison with the participants
- Better training data available
- Cross-fertilisation between tasks
- Anything we can do to improve logistics, ...?
